NRO review(s) completed.

28 Feb 1964 S  
Memo to DD/S&T from  
John McMahon

~~McMillan~~ Air Force/NRO hostility

25X1 February 1964 - McMillan authorized Gen Greer to spend  
[redacted] for development of a  
search system without letting CIA know about it.

25X1 McMillan also preempted the Drell Committee's briefing of  
CIA officials on their findings by advising people at  
[redacted] ahead of time.

Feb. 1964 - NRO continuing to support JCS/JRC pressure  
re establishment of AOC in the Pentagon/NRO offices.

McMillan also ~~xx~~ planning to establish a committee to  
look into the processing and distribution of take--which  
has always been a COMOR prerogative.
